Jigyasa Special

The Four Friends

Two frogs were hopping around when they accidentally fell into a deep pit. The other frogs gathered around the edge, looking down and croaking. They said that "You're never going to make it out! It's too deep!"

Hearing this, the first frog lost all hope. He sighed, sat down, and sadly accepted his fate. But the second frog didn't give up. With a determined look, he gathered all his strength and made a leap, springing right out of the pit!

The other frogs were stunned. Well, turns out the second frog was deaf. He couldn't hear their discouraging words and simply thought they were cheering him on.
