Jigyasa Special

The Fox and The Drum

SCENE 1

There was once a cowardly fox who was scared of every little thing. Her friends and family used to tell her to be strong but she could never muster the courage to be brave.

SCENE 2

Once she heard a loud strange sound which made her afraid. She became frightened but still decided to investigate. It turned out that the voice that she was just scared of, was just a harmless drum being struck by a tree branch.

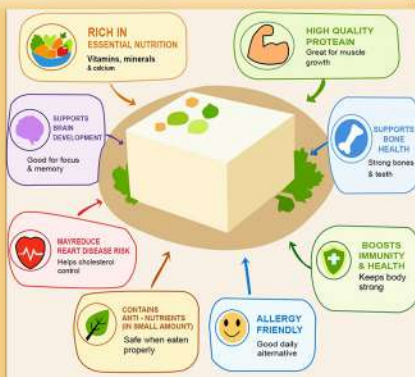

SCENE 3

The fox heaved a sigh of relief and felt brave. After that, she didn't remain so cowardly and started developing inner strength.

MORAL

"Feel your fear but don't be paralysed by it."
